MOTION FOR: Class Action Status LEEVNHI1M1

The Plaintiff
 states the following facts and requests the following relief:

It is an impossibly arduous task to resolve all civil rights violations committed by the State of N.H. on the citizenry for traffic tickets & laws the NH police make up and enforce as evidenced on the NCTIS. Instead of trying to reimburse the citizenry directly, I will stay in NH, and build the Free Energy Infrastructure to bring in the new age of industry. This will make NH a world class economic center. I am a world class Free Energy Engineer. I demand Class Action Status for this case.
